I'm sorry for the delay – I have talked to Gabriela Munoz, who called with the same request. I am coordinating schedules with her. Please let me know if this is actually a different request (in which case, I'm sorry if I got them confused!).

Dave, Wanda and Alice

Please see the note below from Meredith on my staff (copied here). She is the NJ Chair of the HEP Community Advisory Committee (CAC). They would like a briefing on the Passaic River proposed cleanup. Can you please get back to her? Thanks, Debbie

Deb,

On behalf of the HEP CAC, I would like to invite the EPA to our June meeting to provide a briefing on the Passaic River cleanup plan. The other HEP committees will be invited, as well as the public. The tentative date for the June meeting is the 10, 11, or 12th. We will be looking for a meeting location in Newark. We are very eager to hear how we can help support EPA's cleanup plan!

Thanks!

Meredith
